

A Woman's Savings

Are often more important to her than a man's can be to him. The woman who is suddenly thrown on her own resources or faced with a sudden need of money is placed much worse than a man in a similar situation.

The saving account that you start for your daughter may some day stand between her and hardship.

An account in her name may be opened at this bank with as little as one dollar and interest will be paid on all balances.

Over-Night FEDERAL Wireless To the Advertiser

With two-thirds of the precincts of California counted, Governor Wilson of New Jersey has a plurality of between 10,000 and 12,000.

In the returns thus far in from nine congressional districts, it is seen that the Bull Mooseers have the possibility of taking but one place.

With an overwhelming Democratic majority in the House of Representatives, returns indicate a probability of the success of a sufficient number of Democratic senatorial candidates to give the Democrats control of the United States Senate as well as of the House of Representatives.

Democrats have elected two senators from the following States: California, Arizona, Georgia, Colorado, Louisiana, Maryland, Mississippi, Missouri, Montana, Nebraska, Nevada, New Jersey, North Carolina, Oklahoma, Oregon, South Carolina, Texas, Virginia, West Virginia and one from each of the following States: Kansas, Kentucky, Maine, New York, Ohio and Tennessee.

Republicans elected two from each of the following: Illinois, Michigan, Minnesota, New Mexico and Pennsylvania, Utah, Vermont, Wisconsin and Washington.

Within thirty days definite action will be taken by the leaders of the Republican party looking to a reorganization of the party in every State of the Union for the purpose of electing a Republican President in 1916.

All of Ohio's twenty-four electoral votes, all of the important State offices, the State legislature, and all but two or three of its representatives in the national House of Representatives went into the Democratic column in yesterday's election.

New York State went Democratic in practically every branch of its government. Congressman William Sulzer was elected governor by a plurality estimated at 150,000 over his nearest opponent, Job Hodges, Republican.

John L. Wilson, owner of the Seattle (Washington) Post-Intelligencer, died early today in his hotel in Washington, D. C., of angina pectoris, after an illness of one hour. His body will be taken to his birthplace in Crawfordsville, Indiana, for burial tomorrow. He had been in the National Capital on business two days.

There was no interruption of the routine in Sagamore Hill today on account of the result of yesterday's election. Colonel Theodore Roosevelt was back by his desk today as though nothing out of the ordinary had happened.

"There isn't a word that I can say just now," said the Colonel this afternoon when seen by reporters. "I may have something to say tomorrow."

The following message was received from President Taft, who was in Cincinnati, directed to Hon. Woodrow Wilson, Princeton, New Jersey:

"Cordially congratulate you on your election and extend to you my best wishes for a successful administration."

(Signed) "WILLIAM H. TAFT."

In reply Governor Wilson sent the following message to President Taft in Washington:

"Warmly appreciate your kind message and wish to express my sincere personal regards."

It is now certain that Arizona has gone for woman suffrage. Oregon is comparatively certain, and the women of Michigan also claim that their cause is victorious. The other two States, Kansas and Wisconsin, where the suffrage issue was voted upon yesterday, are still in doubt.

In the twenty-nine States in which elections were held for governors, the Democrats not only held their own, according to latest returns, but overthrew majorities in three States—Illinois, Missouri and Nebraska—in which the incumbents were Republicans.

On the basis of at least partial returns from every State today, the indicated vote of yesterday's balloting was:

Wilson—Thirty-nine States, 413 electoral votes.

Roosevelt—Six States, 104 electoral votes.

Taft—Three States, twelve electoral votes.

Wilson stands an excellent chance to add the State of Illinois to his grand total of electoral votes. Tonight at midnight, with several down-State counties still to be heard from, he is running well with Roosevelt. In Chicago the vote is: Roosevelt 141.

"I can't realize that it's true," repeated the Governor of New Jersey. "It hasn't quite dawned on me. I had been in an impersonal atmosphere for the last three months reading about myself; reading that I was to be elected, and now I can hardly believe it is true."

The Turkish stronghold of Monastir surrendered at two o'clock this afternoon to the Serbian troops, according to a dispatch received in Rome from Belgrade, Serbia, to the Rome Tribune.

Temporary occupation of Constantinople by Bulgarian troops is regarded as inevitable, says a St. Petersburg dispatch to The Daily Mail. There is even fear of permanent occupation.

The Times' correspondent with the Turkish troops telegraphs from Rodosto, on the Sea of Marmora, under date of November 4:

"This place is in the last phase of a hurried evacuation. Wild-eyed Turkish women of good estate, in a pouring rain, beseeched boatmen to take them to ships at anchor in the waters nearby."

"Peasants were burning the effects of wagons to warm their infants, cradled in deep, fetid mud."

SERIOUS CASES IN KONA COURT

HILO, Nov. 6.—Several very important cases are to be presented to the grand jury, called to meet in the Kona circuit court tomorrow. In the absence of County Attorney Beers, now convalescing at the Queen's hospital in Honolulu, Deputy County Attorney W. H. Heen is compelled to remain here to handle the business of the office, so W. H. Smith, recently appointed a deputy by Attorney General Lindsay, will assume charge of the prosecution in the Kona cases.

Joel Kahanian, former supervisor and now a police lieutenant, is accused on two charges of embezzlement, and these will be considered by the grand jury. He is accused of appropriating \$102.50 and \$117.20, handed him by the superintendent of the Weahea waterworks to deliver to the county treasurer.

Perhaps the most important case, however, is that of Wilson, the former principal of the Hilea school, who is accused of a statutory crime. A rumor recently that this case would be quelled, brought forth indignant protests, and now Deputy County Attorney Heen says the case will be tried, and that Deputy Smith has been instructed accordingly.

Other cases to be heard are those of the four Japanese accused of perjury in connection with a divorce suit, a North Kohala Japanese accused of statutory crime, and a Kohala Portuguese accused of manslaughter, in connection with the death of his aged and mentally deranged wife.

DYNAMITE SAVES DOG FROM 75-FOOT GRAVE

Explosive Thrown Down to Kill,
Opens Tunnel and Way to
Freedom

CHICO, Cal., Oct. 3.—"A dog's life might not be so bad, after all," meditated William Meek yesterday as he dodged the muddy caresses of a valuable hunting dog which had just rescued himself from a 75-foot well. When the dog fell into an abandoned well, Meek despaired of rescuing him so he threw three sticks of dynamite down the shaft to end his misery.

When the noise of the explosion died away, the dog was still whining and paddling around the water. Meek started home for a gun. As he approached the house the dog ran out to meet him. Investigation showed that the dynamite had opened up an old tunnel running into the well, and the dog has escaped with the rush of water.
